

## Short Putts...

- **Sign-up for your USGA Handicap Service** in the pro shop. A \$30 charge gets you a certified USGA handicap and insures your eligibility to enter all Prairie Isle events.
- **Prairie Isle** – Your best choice for tourneys, outings and meetings. Our professional staff in the pro shop and clubhouse will assist you in making your event a success.
- **Hole-in-One Club** – No one won the pot last year, so it's a holdover this year. Last year's entries are automatically included, \$10 entry fee for newcomers. May 1 thru Labor Day.
- **Self-Taught vs. Pro-Taught** – Just look at the pros. Everyone has a mentor! We can recognize your flaws and help your golf game. Arrange a lesson or two and see the improvements.
- **Women's Leagues** – We have two 18 hole leagues, Wednesday and Thursday mornings (7:30 a.m. tee times) and a 9 hole league on Wednesday at 4:30 p.m. Ask in the pro shop if interested.
- **Winter Olympics at the Isle** – We had some damage to the course caused by irresponsible snowmobilers. I'm sure they don't know how costly the damage was. However, Paul Schaefer and his staff have done a fine repair job.
- **19th Hole On The Rocks** – Our grillroom manager, Roxanne is looking forward to another super season of offering you the best in food and drink service. Our sixth season of the popular Patio Grill, open on Friday, Saturday and Sunday from 10 a.m. to 3 p.m., will be up and smokin' as soon as weather permits.
- **Special Spring Membership** - \$350 gets you a special Prairie Isle Spring Membership, good from opening day until June 1! You get unlimited golf, any day of the week and your payment can later apply towards a full yearlong membership. (Sorry, cart fees not included)
- **GPS and Keep Pace** are making our rounds much more enjoyable. Four-hour rounds are more frequent than ever and we believe the Global Positioning System on our carts is mainly responsible. The system gives golfers the yardage into the middle of the green. You still need to plan your shot correctly, but no more wasting time on yardage!
